It couldn't be easier to join one of our plans, and our dedicated team will explain the following benefits in more detail:

- Up to 10% reduction in cost of private general dental treatment\*
- Spreads the cost of your care using convenient direct debit payments

## How do I join?

Patients wishing to join our plans may join following an **initial examination and hygiene appointment**. Once your direct debit is set up, you can start to enjoy your benefits from as little as 3 months after you join.
